Dear Mr. Henson

Your letter of January 26, 2007, was received by this office on February 15, 2007. In that letter you requested that the Board identify all certified appraisers whose credentials were renewed on or after January 1, 2005, and who took the 15-hour National USPAP Course in lieu of the 7-hour National USPAP Update Course.

Each of the appraisers that met the criteria specified in your January 26, 2007, letter, was notified that they must complete the 7-hour National USPAP Update Course by March 4, 2007. All said appraisers, as identified on the attached list, have now met the 7-hour USPAP criteria. We informed Ms. Vicki Ledbetter of their status during her visit of March 12, 2007.

All but two of the listed appraisers had, or have now completed the 7-hour USPAP course. The two that had not responded to the notification we sent to them in February hold classifications in their resident jurisdictions. Thus, would be required to meet the 7-hour requirement in the state from which they reciprocated.

For the Board

Jeffrey T. Ledford
