RE: AARO Spring Conference April 15-18, 2000  
Denver, Colorado

Dear Ben:

If legally permissible, AARO could sure use a little help in the form of a donation for our spring and fall conference. I know it's tough getting money out of Washington, but I thought I would ask. Any amount is appreciated or you may wish to sponsor an event.

I have enclosed a tentative schedule. Just let me know should you require additional time. Look forward to seeing all your folks in Denver.

Best Regards,
