Juneau, AK 99811-0806

Dear Mr. West:

Thank you for the opportunity to review the proposed changes to Title 12 of the Alaska Administrative Code. The June 29th Notice of Proposed Changes reflects amendments we suggested be made during our May 26-27, 2004 field review of the Alaska appraiser regulatory program. We, therefore, strongly support their adoption.

Please contact us if you have any questions.

Sincerely,

Ben Henson
Executive Director
