Dear Mr. [DELETION]:

This letter responds to your March 16, 2005 letter to Danny Wiley regarding your complaint against the Acting Director of the State of California Office of Real Estate Appraisers. As part of our oversight of the State appraiser regulatory agencies, we perform on-site reviews of the State programs on a regular basis. We will place your letter in our California file and will include it in our next, regularly scheduled, on-site review of California's program.

If you have any questions, please contact us.

Sincerely,
