Department of Consumer Protection
State of Connecticut

Dear Mr. Hurlburt:

Thank you for your efforts toward resolving the problem with Connecticut's National Registry data submissions. After processing the data file that we received on August 17th, the National Registry is now current for Connecticut appraisers.

As you requested, we revised our state contact list to indicate you as our primary contact. Since you asked in our phone conversations about the Association of Appraiser Regulatory Officials ("AARO"), you can check their Web site at <http://www.aaro.net> or call their office at 512.353.0217 for more information.

If you have questions on any ASC matters, please call.

Sincerely,

Ben Henson
Executive Director
