● **Comments:**

My name is Steven Henry, and I am currently employed as a Management Review Specialist with the office of the Inspector General, Department of Business and Professional Regulation, State of Florida. As part of our duties, we are required to submit an Annual Report, noting the general findings and recommendations of all audits performed during the fiscal year.

Our records indicate that the Federal Real Estate Appraisal Subcommittee issued a review on August 6, 2,004. We would like a copy of this report so that its contents can be summarized for our annual report. If you have any question, please feel free to call me at (850) 488-2304.
