Dear Ms. Ledbetter:

Thank you for the opportunity to qualify those certified residential appraisers in Nevada who obtained their license after the AQB requirements increased from 2400 to 2500 hours. Herewith please find a printout of all certified residential appraisal licenses along with a list of those that were qualified in another state and a list of those that qualified in Nevada.

[DELETION] was the only licensee that did not qualify and was downgraded to a licensed residential appraiser.

Should you need additional information please do not hesitate to contact me at 775-687 6428.

Sincerely,

Brenda Kindred-Kipling
Appraisal Officer
