Mr. Ben Henson
Executive Director, Appraisal Sub-committee
2000 K Street Northwest, Suite 310
Washington, D.C. 20006

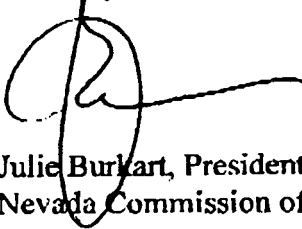

Dear Mr. Henson,

Please find included with this letter S.D. 307, a proposed bill which would provide for the employment of a special investigator to assist the real estate division in investigations of complaints against appraisers.

We are requesting your opinion on this bill as it relates to our efforts to bring our program into compliance with Title XI.

This bill was in committee yesterday and will be scheduled for the finance committee. As time is of the essence, a rapid reply would be most appreciated. Thank you for any recommendations you may have.

Sincerely,
