# Appraisal Subcommittee

*Federal Financial Institutions Examination Council*

July 9, 1998

Dear State Appraiser Regulatory Official/Board Chairperson

As specified in Appraisal Subcommittee ("ASC") Policy Statement 9 - Information Sharing, States are required to submit disciplinary information to us no less frequently than monthly. Our letters to you dated July 31, September 26, and September 30, 1997, contained information regarding your submittal of disciplinary action and related information to us. Based on a review of National Registry data for your State, we have received little or no disciplinary or related action information from you.

Please submit the necessary disciplinary or related action information to us no later than July 31, 1998. If you already have submitted all actions taken by your State, or if your State has never taken any disciplinary or related actions, please notify us of that fact in writing.

If you have any questions, please contact us.

Sincerely,

Ben Henson  
Executive Director
