Mr. Thomas E. Watson, Jr., Chairman  
Appraisal Subcommittee  
2000 K Street, NW, Ste. 310  
Washington, DC 20006

Dear Mr. Watson:

This is in reply to your letter of 14 November 2000 concerning the review made of this operation by Mr. Green and Ms. Gearhardt.

The Board has begun the process of adopting rules concerning temporary practice and as soon as these rules are implemented (which takes quite a few months), we will so notify ASC.

With regard to documenting adequately our education review process, please be advised that we have already begun this, with a folder for each course and copies of letters either approving or disapproving the course.

We would like to express our appreciation for the guidance shown by ASC. Sorry for the delay in the reply, but it was unavoidable.

If you have any questions, please do not hesitate to contact this office.

Sincerely,

  
Gordon L. Maynard, Chairman
