Dear Mr. Hall:

Thank you for your March 9, 2001 response to our January 11th field review letter. We are pleased that you will begin randomly auditing the applications of renewing appraisers and will be closely monitoring the education claims of applicants to ensure credit is not awarded for substantially similar coursework. Our field review letter, your response, and any other correspondence between us regarding the field review now are publicly available on our Web site.

Please contact us if you have any questions.

Sincerely,

Ben Henson
Executive Director
