Re: Idaho Real Estate Appraiser Board

Dear Mr. Henson:

This letter is in follow up to the August review conducted by Denise Graves and Kristi Klamet.

During their visit, the Bureau of Occupational Licenses was in the middle of its most recent continuing education audit. The audit is complete and the compliance rate is 100%. The Bureau will be providing this information to Ms. Graves through its normal reporting procedure.

We understand that Idaho will be assigned a new policy manager in the near future. We want to let you know how much we have appreciated the assistance we have received from Ms. Graves over the last several months. She is very professional and has been quick to respond to our inquiries. We also appreciate the time she and Ms. Klamet spent with the Board in August.

Finally, the Board would like to seek clarification on work samples for Certified General Appraiser applicants. At this time we select actual work samples from the appraiser's experience log. Are we required to ask for a residential report from a Certified General Appraiser applicant?

Please let me know if you need any additional information with regard to the review or the clarification on Certified General Appraisers.

We look forward to your response.

Sincerely,

Paul Morgan, Chair
Idaho Real Estate Appraiser Board

Cc: Denise Graves
