Mr. Mark A. Lewis, Chairman Appraiser Qualifications Board 1155 15<sup>th</sup> Street NW, Suite 1111 Washington, DC 20005

Dear Chairman Lewis:

The Appraisal Subcommittee (ASC) staff appreciates the opportunity to comment on the First Exposure Draft of a Proposed General Interpretation of the *Real Property Appraiser Qualification Criteria* (Criteria). These comments reflect the opinions of ASC staff and are not necessarily those of the ASC or its member agencies.

The Criteria requires that education and experience must be completed prior to taking the National Uniform Licensing and Certification Examination (National Exam). The Criteria further requires the applicant to provide reports, certifications or file memoranda, or, if such reports or memoranda are unavailable for good cause, other evidence at the credentialing authority's discretion that the work is compliant with USPAP as part of the State experience verification process. The Criteria does not direct the States as to when and how they verify the applicant's claimed prerequisites.

The proposed interpretation appears to direct States on implementation of the Criteria. This interpretation, if adopted, could prove to be unnecessarily burdensome for States and could impose an additional barrier to entry into the profession by adding time and expense for both the appraiser applicant and the State. States have limited resources and face the challenge of using their resources in ways that best fit their programs. Adding additional barriers to entry into the profession is contrary to current efforts underway to encourage an expanded and more diverse appraiser population.

At the very least, it appears that the proposed interpretation sets new Criteria requirements for States rather than interpreting current minimum Criteria for appraisers, and therefore, would need to be developed as an exposure draft for new Criteria, including an analysis of what the issue/problem is and the impact of the proposed new minimum requirement would be for States and appraiser applicants.

Please contact us if you have any questions.

Sincerely,

James R. Park
Executive Director

Mr. Mark A. Lewis, Chairman Appraiser Qualifications Board 1155 15<sup>th</sup> Street NW, Suite 1111 Washington, DC 20005

Dear Chairman Lewis:

The Appraisal Subcommittee (ASC) staff appreciates the opportunity to comment on the Second Exposure Draft of Proposed Changes to the *Real Property Appraiser Qualification Criteria*. These comments reflect the opinions of ASC staff and are not necessarily those of the ASC or its member agencies.

ASC staff generally supports the Second Exposure Draft subject to the following comments and concerns. We support the proposal for States to determine the extent of experience gained while working for a non-traditional client, and the proposal to add Valuation Bias, Fair Housing and/or Equal Opportunity for both Qualifying and Continuing Education.

ASC staff supports expanding independent asynchronous course delivery mechanism approval. Moreover, maintaining an independent third-party review of the delivery mechanism of approved courses avoids any potential appearance of a conflict of interest for courses approved by the Foundation or an affiliate.

Course delivery mechanism review and approval for asynchronous education is complex. It would be useful if the AQB developed written requirements for organizations seeking to qualify for review and approval authority, including procedures to audit and revoke/suspend approved course delivery mechanisms, analogous to the practices of the International Distance Education Certification Center (IDECC).

Sincerely,

Please contact us if you have any questions.

Mr. Jeremy Gray, Chair, Board of Trustees Ms. Michelle Czekalski Bradley, Chair, Appraisal Standards Board The Appraisal Foundation 1155 15<sup>th</sup> Street NW, Suite 1111 Washington, DC 20005

Dear Chair Gray and Chair Bradley:

In my October 1, 2020, letter to the Appraisal Foundation Board of Trustees (BOT), I expressed ASC staff concerns about the lack of real property appraisers on the Appraisal Standards Board (ASB). The resignation of the ASB Chairman a few weeks ago makes the imbalance of real property appraisers compared to other appraisal disciplines more pronounced.

Presently, only two of the six board members are real property appraisers. Given that the ASB develops the generally accepted standards of practice for the real property appraisal profession, its current makeup raises concern. We are interested in how the BOT plans to address the issue to ensure appropriate professional expertise and continuity with real property standards.

A pause in the current exposure draft process could benefit the industry by allowing the BOT time to ensure that the ASB has the appropriate real property appraisal expertise. This is also an excellent opportunity to make a concerted effort to support diversity, equity and inclusion in filling the vacancies on the ASB. Making the ASB more diverse would reinforce the commitment of the BOT to work toward making the appraiser profession more diverse.

Sincerely,

James R. Park

Mr. James Park Executive Director Appraisal Subcommittee 1325 G Street, NW Suite 500 Washington, DC 20005

Dear Jim:

Thank you for your August 13, 2021, correspondence regarding the Appraisal Standards Board (ASB).

We appreciate your feedback regarding the makeup of the current ASB. In October of 2020 the Board of Trustees appointed two new members to the ASB with extensive real property experience to ensure real property appraisers were well represented. We tragically lost one of our members in an accident that ultimately claimed his life, and another needed to step down due to increased professional demands.

As the Board of Trustees is now accepting applications from candidates for the ASB and AQB, we are working to increase the number of real property appraisers on the ASB and increase the diversity of both boards. To that end, the Board of Trustees appointed a Task Force on Promoting Board Diversity, which has engaged an outside consultant with expertise in that area to review our entire board selection process. Her findings are to be provided to the Task Force prior to the ASB and AQB selection interviews on Friday, October 22 at the fall meeting of the Board of Trustees in Atlanta. Given the importance of having additional real property appraisers on the ASB, the Board of Trustees may make the new ASB members' terms effective immediately rather than waiting until the start of 2022 as is customary.

In the meantime, the ASB is continuing their work at a judicious pace to ensure an appropriate examination of the issues and a complete public comment period. The Board of Trustees has engaged past ASB Chair Maggie Hambleton, a real property appraiser, to serve as an advisor to the ASB on an interim basis. The ASB issued a discussion draft earlier this summer, which was accompanied by a webinar during which viewers could pose questions to the presenters and engage in a public conversation. An exposure draft is scheduled to be issued later this month and will be followed up by a webinar for the public and a meeting with state appraiser regulators on October 15. In addition, the exposure draft will be sent to all 64,000 individuals on our mailing list to ensure the broadest public exposure. Shortly after that we hope to quickly seat our newest members to the full Appraisal Standards Board to continue this work on the latest edition of USPAP.

We appreciate the ASC's continued engagement with our boards.

Sincerely,

Jeremy Gray

### • Executive Director

- J. Park updated the ASC on recent ASC staff activity as noted below.
- There are three proposed bills in Congress that could affect the ASC; two bills are in the House and one is in the Senate. H.R. 2553, Real Estate Valuation Fairness and Improvement Act of 2021 would establish an interagency Task Force in the ASC to analyze Federal collateral underwriting standards and guidance, and for other purposes. This bill passed out of the House Financial Services Committee to the full House. H.R. 7688, Portal for Appraisal Licensing Act would establish a central portal for real estate

appraisers and real estate appraisal management companies (AMCs) to apply for and renew certain licenses, certifications, and registrations. The U.S. Department of Justice must provide access to criminal history information to State officials for required background checks. This bill was introduced in 2020 and it is anticipated that it will be reintroduced in 2021. Another bill would make changes to the ASC and the Federal Housing Administration (FHA). Among other things, it would expand FHA appraiser eligibility to include State licensed appraisers, allow the ASC to reduce annual registry fees for AMCs, include trainee appraisers on the National Registry, clarify that nonprofit organizations or institutions of higher education can obtain an ASC grant and include a member of the U.S. Department of Veterans Affairs and U.S. Department of Agriculture on the ASC Board. He will keep the ASC updated on the progress of these bills.

- The Council on Licensure, Enforcement and Regulations, Inc. (CLEAR), in partnership with the Association of Appraiser Regulatory Officials (AARO), has begun work on the State needs assessment and is developing their first course for State Regulators, which should be available for the Fall AARO conference.
- The AMC Registry is now receiving data from 41 States and the District of Columbia.

### • Grants Director

J. Park gave the Grants update in M. Abbott's absence. Four States (Arkansas, Hawaii, North Carolina, and Vermont) are joining the eight States that have successfully applied for a grant for operating support. The ASC's goal is to have at least 20 States/Territories with active grants by the end of this fiscal year.

### • Financial Manager

G. Hull provided the ASC's mid-year financial status for FY21. As of March 31<sup>st</sup>, the ASC has recognized revenue of \$4.4M representing 43% of the total budgeted FY21 revenue of approximately \$10M. Mid-year AMC registry fees, at \$2.6M, account for 59% of total recognized revenue. ASC expenses are in line with projections. Expenses through March 31<sup>st</sup> totaled \$4.1M representing 46% of the annual budgeted amount of \$8.9M. T. Segerson asked if AMC revenue will meet the FY21 budget estimate. G. Hull responded that it should be close to the estimate as there are numerous States with renewals in June. T. Segerson asked if the Reserve fund will meet the budget estimate. G. Hull responded that it should be close to the estimate; it will depend on the amount of grant funds awarded this fiscal year.

### **ACTION ITEMS**

### • March 10, 2021 Open Session Minutes

E. Thomas made a motion to approve the March 10<sup>th</sup> open session meeting minutes as presented. K. Coughlin seconded and all members present voted to approve.

### • 2020 ASC Annual Report

A. Bohorfoush reported that she incorporated minor corrections received from ASC members and requested approval to finalize the 2020 ASC Annual Report for publication. K. Coughlin moved to approve the 2020 ASC Annual Report as presented. J. Jilovec seconded and all members present voted to approve.

### Proposed review of the Uniform Standards of Professional Appraisal Practice/Real Property Appraiser Qualification Criteria; focus on Fairness, Equity, Objectivity and Diversity

J. Park noted current U.S. Bureau of Labor Statistics show that 96.5% of appraisers are white and 70% male. He said that ASC approval is requested for initial budget authority up to \$250,000 to support a comprehensive and independent review of the Uniform Standards of Professional Appraisal Practice (USPAP) and Real Property Appraiser Qualification Criteria (Criteria). The review is to ensure that USPAP and the Criteria do not encourage or systematize bias, and consistently support or promote fairness, equity, objectivity and diversity in both appraisals and the training and credentialing of appraisers. The project would be managed by CLEAR. In March 2021, CLEAR was awarded a three-year cooperative agreement with the ASC to, in part, undertake research on the appraisal and AMC regulatory system. J. Jilovec asked if the ASC would coordinate this project with the Appraisal Foundation (TAF). T. Segerson responded that the intention is to coordinate with the various TAF Boards. J. Park added that CLEAR provides training for various occupations. He feels CLEAR will be a great partner to work with on this project. They will be able to find the appropriate expertise to take an independent and objective look at the Criteria and USPAP to see if there are any opportunities for improvement. K. Coughlin asked how ASC staff arrived at \$250,000 for the budget and if this amount would be increased or if this is the total budget amount. J. Park responded that the initial budget is \$250,000. If additional funds are needed, ASC staff would request approval of the additional funds from the ASC. K. Coughlin asked if CLEAR would ensure a broad-based review of the Criteria and USPAP. J. Park responded "yes", and this could potentially lead to other aspects of training and education that can be provided to appraisers. J. Jilovec asked if there is a timeline for CLEAR to develop a proposal and find qualified persons to do the review. J. Park responded that ASC staff hopes to accomplish this by the end of the year. T. Segerson added that a detailed proposal will be prepared. The ASC Chairman granted five minutes to D. Bunton to speak on this item. D. Bunton stated that TAF welcomes an external review of the Criteria and USPAP and appreciates the invitation to assist. He added that TAF will publish the results of its Diversity Study of the appraisal profession next week. TAF plans to do another survey on this issue in approximately three years. TAF is also reviewing

language in Advisory Opinion 16 and the Ethics Rule. There have been multiple articles recently on bias and diversity in the appraisal profession. He reported that TAF held a Roundtable last week on this topic. He suggested that the ASC has the authority to track adjudication of appraisal bias complaints filed with a State agency. J. Schroeder and J. Jilovec thanked D. Bunton for his comments and willingness to work with the ASC. T. Segerson said that consumers who feel they have been discriminated against should be given assistance on where to file a complaint and have their case heard. J. Schroeder made a motion to approve the budget authorization request for the Criteria and USPAP Review in the amount of \$250,000. E. Thomas seconded and all members present voted to approve.

The Open Session adjourned at 10:30 a.m. The next regularly scheduled ASC Meeting will be held on June 2, 2021.

1	5.1-5.5	RECOMMENDATION: Ensure written offers of employment for positions covered by the Standards of Conduct provide the required information.  AGENCY RESPONSE: The ASC's human resources duties are handled by the U.S. General Services Administration's Commissions and Boards Office (CABS). CABS sends out a template newhire letter and forms directly to the new employee on behalf of the ASC. If OGE is amenable, the ASC's ADAEO will send an email to all new employees notifying them of their Ethics responsibilities, a link to the Standards of Conduct, and the contact information for the DAEO and ADAEO. This email would be sent out once the ADAEO is notified that CABS has sent out the new hire letter.  OGE COMMENT: OGE acknowledges the Committee's swift response for the recommendation. OGE will assess whether or not this procedure is successful in ensuring written offers of employment for positions covered by the Standards of Conduct provided the required information during the program review follow-up process.
