Dear Mr. Bratsch:

Thank you for the opportunity to review the proposed legislation amending Minnesota Statutes 2008, section 82B.14 (S.F. No. 3052). We have reviewed the proposal and are providing the following comments:

Currently, the Appraiser Qualifications Board approves Graduate Degree programs, not undergraduate college degree programs. The Appraisal Subcommittee (ASC) has no other comments on these proposed legislative changes.

Please contact us if you have any questions.

Sincerely,

James R. Park  
Executive Director
