Dear Ms. Boyd:

This letter responds to your March 14, 2002 Freedom of Information Act (“FOIA”) request which we received by fax on that date. You requested:

- All documents memorializing, pertaining to, or reflecting communications between the ASC [Appraisal Subcommittee] and [DELETION], a.k.a., “[DELETION],” including but not limited to correspondence, communications logs, files, electronic mail, etc., from 1996 up to and including the present.
- All documents memorializing, pertaining to, or reflecting communications between the ASC and [DELETION], including but not limited to correspondence, communications logs, files, electronic mail, etc., from 1996 up to and including the present.

You attached for our reference a copy of our December 11, 1997 letter to Mr. [DELETION].

We have granted your FOIA request. Our document search, however, found only two documents, with attachments. The first is the September 12, 1997 letter and attachments which we referenced in our December 11, 1997 letter. The second letter is dated July 18, 2001 from Anthony Majewski, then Acting Director of California’s Office of Real Estate Appraisers, to Ben Henson, ASC Executive Director. We have enclosed copies of these two documents, including their attachments.

Please contact us if you have any questions.

Sincerely,

Ben Henson  
Executive Director
