In establishing the amount of the annual registry fee for an appraisal management company, the Appraisal Subcommittee shall have the discretion to impose a minimum annual registry fee for an appraisal management company to protect against the under reporting of the number of appraisers working for or contracted by the appraisal management company.

Each Federal financial institutions regulatory agency and the Resolution Trust Corporation shall prescribe appropriate standards for the performance of real estate appraisals in connection with federally related transactions under the jurisdiction of each such agency or instrumentality. *Unofficial ASC staff version of Title XI
as amended by section 103 of the
Economic Growth, Regulatory Relief and Consumer Protection Act (EGRRCPA)*

(2) that such appraisals shall be written appraisals. Each such agency or instrumentality may require compliance with additional standards if it makes a determination in writing that such additional standards are required in order to properly carry out its statutory responsibilities; and

(a) *In general.* Each Federal financial institutions regulatory agency and the Resolution Trust Corporation shall prescribe, in accordance with sections 1113 and 1114 of this title [12 USCS §§ 3342, 3343], which categories of federally related transactions should be appraised by a State certified appraiser and which by a State licensed appraiser under this title.

(b) *Threshold level.* Each Federal financial institutions regulatory agency and the Resolution Trust Corporation may establish a threshold level at or below which a certified or licensed appraiser is not required to perform appraisals in connection with federally related transactions, if such agency determines in writing that such threshold level does not represent a threat to the safety and soundness of financial institutions and receives concurrence from the Bureau of Consumer Financial Protection that such threshold level provides reasonable protection for consumers who purchase 1–4 unit single-family residences.

(c) *GAO study of appraisals in connection with real estate related financial transactions below the threshold level.*

(1) *GAO studies.* The Comptroller General of the United States may conduct, under such conditions as the Comptroller General determines appropriate, studies on the adequacy and quality of appraisals or evaluations conducted in connection with real estate related financial transactions below the threshold level established under subsection (b), taking into account—

§ 1113. Transactions requiring the services of a State certified appraiser [12 U.S.C. 3342]

In determining whether an appraisal in connection with a federally related transaction shall be performed by a State certified appraiser, an agency or instrumentality under this title shall consider whether transactions, either individually or collectively, are of sufficient financial or public policy importance to the United States that an individual who performs an appraisal in connection with such transactions should be a State certified appraiser, except that—

- (1) a State certified appraiser shall be required for all federally related transactions having a value of \$1,000,000 or more; and
- (2) 1-to-4 unit, single family residential appraisals may be performed by State licensed appraisers unless the size and complexity requires a State certified appraiser, where a complex 1-to-4 unit single family residential appraisal means an appraisal for which the property to be appraised, the form of ownership, the property characteristics, or the market conditions are atypical.

§ 1114. Transactions requiring the services of a State licensed appraiser [12 U.S.C. 3343]

All federally related transactions not requiring the services of a State certified appraiser shall be performed by either a State certified or licensed appraiser.

§ 1115. Time for proposal and adoption of rules [12 U.S.C. 3344]

As appropriate, rules issued under sections 1113 and 1114 [12 USCS §§ 3342 and 3343] shall be proposed not later than 6 months and shall be effective upon adoption in final form not later than 12 months after the date of the enactment of this Act [enacted Aug. 9, 1989].

(c) *“State licensed appraiser” defined.* As used in this section, the term “State licensed appraiser” means an individual who has satisfied the requirements for State licensing in a State or territory whose criteria for the licensing of a real estate appraiser currently meet or exceed the minimum criteria issued by the Appraisal Qualifications Board of The Appraisal Foundation for the licensing of real estate appraisers.

(d) *Additional qualification criteria.* Nothing in this title shall be construed to prevent any Federal agency or instrumentality under this title from establishing such additional qualification criteria as may be necessary or appropriate to carry out the statutory responsibilities of such department, agency, or instrumentality.

(e) *Minimum Qualification Requirements.* Any requirements established for individuals in the position of ‘Trainee Appraiser’ and ‘Supervisory Appraiser’ shall meet or exceed the minimum qualification requirements of the Appraiser Qualifications Board of The Appraisal Foundation. The Appraisal Subcommittee shall have the authority to enforce these requirements.

§ 1117. Establishment of State appraiser certifying and licensing agencies **[12 U.S.C. 3346]**

To assure the availability of State certified and licensed appraisers for the performance in a State of appraisals in federally related transactions and to assure effective supervision of the activities of certified and licensed appraisers, a State may establish a State appraiser certifying and licensing agency. The duties of such agency may additionally include the registration and supervision of appraisal management companies and the addition of information about the appraisal management company to the national registry.

§ 1118. Monitoring of State appraiser certifying and licensing agencies **[12 U.S.C. 3347]**

The Appraisal Subcommittee shall have the authority to remove a State licensed or certified appraiser or a registered appraisal management company from a national registry on an interim basis, not to exceed 90 days, pending State agency action on licensing, certification, registration, and disciplinary proceedings. The Appraisal Subcommittee and all agencies, instrumentalities, and Federally recognized entities under this title shall not recognize appraiser certifications and licenses from States whose appraisal policies, practices, funding, staffing, or procedures are found to be inconsistent with this title. The Appraisal Subcommittee shall have the authority to impose sanctions, as described in this section, against a State agency that fails to have an effective appraiser regulatory program. In determining whether such a program is effective, the Appraisal Subcommittee shall include an analysis of the licensing and certification of appraisers, the registration of appraisal management companies, the issuance of temporary licenses and certifications for appraisers, the receiving and tracking of submitted complaints against appraisers and appraisal management companies, the investigation of complaints, and enforcement actions against appraisers and appraisal management companies. The Appraisal Subcommittee shall have the authority to impose interim actions and suspensions against a State agency as an alternative to, or in advance of the derecognition of a State agency.

(b) *Disapproval by Appraisal Subcommittee.* The Federal financial institutions regulatory agencies, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, and the Resolution Trust Corporation shall accept certifications and licenses awarded by a State appraiser certifying the licensing agency unless the Appraisal Subcommittee issues a written finding that—

- (1) the State agency fails to recognize and enforce the standards, requirements, and procedures prescribed pursuant to this title;
- (2) the State agency is not granted authority or sufficient funding by the State which is adequate to permit the agency to carry out its functions under this title; or

(c) *Rejection of State certifications and licenses.*

- (1) *Opportunity to be heard or correct conditions.* Before refusing to recognize a State's appraiser certifications or licenses, the Appraisal Subcommittee shall provide that State's certifying and licensing agency a written notice of its intention not to recognize the State's certified or licensed appraisers and ample opportunity to provide rebuttal information or to correct the conditions causing the refusal.

(2) *Adoption of procedures.* The Appraisal Subcommittee shall adopt written procedures for taking actions described in this section.

(3) *Judicial review.* A decision of the subcommittee under this section shall be subject to judicial review.

(1) *In general.* Not later than December 31, 1992, all appraisals performed in connection with federally related transactions shall be performed only by individuals certified or licensed in accordance with the requirements of this title.

(2) *Extension of effective date.* Subject to the approval of the Council, the Appraisal Subcommittee may extend, until December 31, 1991, the effective date for the use of certified or licensed appraisers if it makes a written finding that a State has made substantial progress in establishing a State certification and licensing system that appears to conform to the provisions of this title.

(b) *Temporary waiver of appraiser certification or licensing requirements for State having scarcity of qualified appraisers.* Subject to the approval of the Council, the Appraisal Subcommittee may waive any requirement relating to certification or licensing of a person to perform appraisals under this title if the Appraisal Subcommittee or a State agency whose certifications and licenses are in compliance with this title, makes a written determination that there is a scarcity of certified or licensed appraisers to perform appraisals in connection with federally related transactions in a State, or in any geographical political subdivision of a State, leading to significant delays in the performance of such appraisals. The waiver terminates when the Appraisal Subcommittee determines that such significant delays have been eliminated.

(c) *Reports to State certifying and licensing agencies.* The Appraisal Subcommittee, any other Federal agency or instrumentality, or any federally recognized entity shall report any action of a State certified or licensed appraiser that is contrary to the purposes of this title to the appropriate State agency for a disposition of the subject of the referral. The State agency shall provide the Appraisal Subcommittee or the other Federal agency or instrumentality with a report on its disposition of the matter referred. Subsequent to such disposition, the subcommittee or the agency or instrumentality may take such further action, pursuant to written procedures, it deems necessary to carry out the purposes of this title.
