Dear Mr. Henson:

This letter constitutes the Department July 2000 update to the Appraisal Subcommittee. The Department's progress continues as outlined in my June 21, 2000 letter. Additionally, we have formed a joint task force with the Connecticut Real Estate Commission for the purposes of reviewing qualifications and possible disciplinary actions against instructors. We are researching the statutes and regulations of other states in this regard and hope that the task force will meet sometime in August 2000. The members of the task force are Nicholas Tetreault (appraisal), Donato Maisano (appraisal), Donna Hohider (real estate), Lana Ogradnik (real estate), Laureen Rubino, Elisa Nahas, and Anna Ficeto.

We look forward to your August visit.

Sincerely,

James T. Fleming
Commissioner
