RE: ASC Review of the CNMI Letter

Dear Ms. Gibbs,

We are in receipt of your letter dated November 3, 2005 regarding ASC's review of the appraiser's regulatory program in the CNMI.

We're really glad to hear that our agency is operating the program effectively and in a manner that is consistent with Title XI.

On the matter of the license level credential of _____, we have corrected it and have replaced his Certified Residential license with a Licensed Appraiser license (see attached copies). _____ will inform us once he takes and passed the necessary national exam for the certified residential license level.

Again, thank you for the positive report of your review and we look forward to the next review in 3 years.

Sincerely,

Florence C. Sablan
Executive Director
